Principal’s greeting

Teenaa koutou katoa

E ngaa mana, e ngaa reo, e ngaa iwi puta noa i te ao. Nau mai, haere mai ki te kura tuarua o Te Okohoroi, teenaa koutou, teenaa koutou, teenaa koutou katoa.

All authorities, all voices, all people from around the world. Welcome to Cambridge High School.

Established in 1883 Cambridge High School has a proud tradition of meeting the educational needs of our local community. With a roll of 1600 we are able to offer our diverse school population a wide range of academic, cultural and sporting opportunities. The school combines modern facilities and a progressive education programme with traditional core values and high expectations of student achievement.

Our aim is to offer students the opportunity to reach their academic potential and enjoy personal growth in a safe and positive learning environment. In addition to academic achievement and qualifications, we value highly the development of the competencies and skills that our students need to navigate easily into life beyond school. Our school motto “Fortiter et Recte” reminds us to have the ‘courage to do what is right’ and this is based on our core values: Respect, Responsibility and Achievement.

Our community is very supportive of the excellent well-rounded education we provide and the range of high-quality opportunities available to our graduates. Our positive results in so many areas of school life reflect the combined effort of the students, staff, parents and Board of Trustees. We look forward to guiding and supporting you in your learning journey and welcoming you into our school community.

Ngaa mihi nui

Greg Thornton - Principal
About our school

Cambridge High School was first established in 1883 and has a long proud record of academic, cultural, and sporting achievement.

Cambridge High School is a co-educational state secondary school and is proud to be a major part of the Cambridge Community.

Our 8.5 hectares of grounds are attractively planted with shrubs and trees, and we have extensive playing fields, a swimming pool, gymnasium, and canteen.

Visitors to the school comment on the positive learning culture and co-operative atmosphere we enjoy. Students are lively, involved, and friendly, enjoying good relationships with each other and staff. Peer Support and tutoring programmes, and the Student Executive and Forum provide leadership opportunities and foster respect and concern for others.
Navigating our school through caring for our students

Cambridge High School is proud of its feeling of community – our students are well known and supported in such a way that they feel a sense of belonging. We believe in making their high school experience enjoyable and safe in an environment where students are able to reach their full potential in a culture of positive behaviour and learning.

The pastoral care of students is extremely important to us and is a focus of all members of staff:

- Our pastoral care specialists, including an International Dean, are all actively involved in supporting the wellbeing and academic needs of their students.
- Our Form Teachers know their students well - they track their academic progress, development of skills, and co-curricular participation, and are important academic mentors.
- Our Māori Whānau teacher nurtures those students in the Whānau form class that promotes and celebrates Tikanga Māori.
- Subject teachers understand the link between student wellbeing, motivation and learning.
- Our guidance counsellors provide a confidential service of advice and support.
- Our careers team helps students determine their positive future pathways.
- Our senior leadership team are always there to listen and guide students.
- Our Principal has an open door for students, their parents and caregivers.
- The friendly office staff are always ready to help our students, their families and whaanau.
- The school nurse is available on the school premises each day.
- The 24/7 Youth Work Team work closely with a wide range of students and support their growth and development.
- Our Peer Support Leaders (trained Year 12/13 students) are actively involved in helping Year 9 students adapt to high school life.
Navigating our students through learning opportunities

Cambridge High School is committed to providing an education for its students that will equip them for the 21st century and ensure that they leave school with the skills, qualifications and academic results to fulfil their future goals and navigate confidently into life beyond school. We have high expectations regarding achievement, hard work is recognised, and success is celebrated. Every student is encouraged to aim at and achieve his or her best.

We cater for and support a diverse range of learners by:

• Providing a rich and wide range of subjects that focus on the needs of our students.
• Offering multiple learning pathways.
• Extending our most capable students through both enrichment and acceleration.
• Implementing a supported learning programme for students who require extra time and attention.
• Supporting students through targeted literacy and numeracy programmes.
• Assisting students to set meaningful goals for their learning and to monitor their own progress.
• Supporting the development and evaluation of key competencies in all subjects.
• Focussing on skills development – communication, research, and subject specific.
• Developing research and presentation skills, as well as other technology applications through our blended e-learning approach as a BYOD school.
• Including opportunities for students to interact with employers, business people or community experts and see links between the curriculum and workplace settings.
• Offering an impressive range of opportunities to learn outside the classroom with trips and activities in many learning areas.
• Encouraging former students to visit and talk about their studies, career pathways and experiences since leaving Cambridge High School.
CURRICULUM

Cambridge High School is large enough to provide a rich and varied range of subjects at all levels. Our broad curriculum involves each student in a wide range of learning experiences.

The curriculum provides the best possible opportunities to prepare students for tertiary study and the workplace. We emphasise the development of key competencies as well as academic progress.

SPORTING OPPORTUNITIES

Cambridge High School offers a wide range of sporting activities and is recognised locally and nationally for its sporting achievement.

We have an impressive line-up of national achievers across codes and for those who excel there are significant competitive opportunities. Skilled staff and friends of the school assist students in all extra-curricular sports and we have thriving sports clubs run by parents.

We partner with Wintec’s Centre for Sports Science and Human Performance to allow all interested Year 9 and Year 10 students to participate in Youth Athletic Development – a programme that uses evidence based approaches to develop young people’s athleticism, reduce the risk of injury, and enable them to be more competitive, and to improve faster in the sports they love.

Our inter-house sports competitions – school athletics day, swimming sports and cross country – promote a sense of belonging and involvement, and provide experience of being part of a team.

Competitive and recreational teams in over 30 different sports provide extensive opportunities and cater for our students’ needs and interests.

We encourage students of all ages and abilities to get involved in sport, to achieve a ‘mind-body’ balance and to keep fit and happy.
Music at Cambridge High School includes opportunities such as the Production Band, Ukulele Orchestra, Jazz Band, String Group, Concert Band, Vox – girls vocal ensemble, Musical Theatre Group, Percussion Ensemble, and more, and our students have achieved enviable success in Rock Quest.

Specialised music tuition by skilled teachers in a range of instruments is available during school hours, and our musicians regularly perform at lunchtime, for school occasions, and community groups.

The Kapa Haka group performs regularly, representing the school with dignity and strength.

Dance and drama activities include the major production, Theatre Sports, Dance NZ Made, Dance Showcases, Sheilah Winn Shakespeare Competition, and our own Cambridge High School has Talent. These opportunities also involve experience in set design and build, back stage, sound, lighting and make-up. Our ARTiculate week is a celebration of the visual arts, music, dance and drama.

Debating and public speaking opportunities are available to all students within the school, and through inter-school competitions.
Spirit and pride

Visitors to Cambridge High School comment on the positive learning culture and co-operative atmosphere we enjoy. Students are lively, involved and friendly, enjoying good relationships with each other and staff. The Positive Behaviour for Learning programme ensures that students are acknowledged for doing the right thing.

The house structure is at the heart of the school and provides for a sense of belonging, connectedness, loyalty, and positive competition. House points are awarded over a number of different areas such as sports, culture and the arts. House spirit is strong and students love the opportunity to compete for trophies, and ultimately the major prize awarded to the winning house.

There are many opportunities for contributing to the sense of community including student-led initiatives:

• Inter and intra-house activities and competitions.

• Raising thousands of dollars for charity – through mufti days, book collections for schools in developing countries and the ‘Forty Hour Famine/World Vision’ challenges.

• International Week and Food Festival – an opportunity to sample the culture and experiences of our significant international student population.

• Our Year 13 committees build awareness and provide service opportunities through organising blood donations, anti-bullying campaigns, and activities that contribute to the wider community.
Bring your own devices (BYOD)

BYOD is an approach where students bring their own device (laptop) to school in order to complete learning activities and access the Internet. They also have access at home via the internet, to a range of Cambridge High School learning resources so that learning opportunities extend beyond the classroom.

New and evolving technologies are providing positive educational benefits for learning and teaching. The BYOD approach is well established at Cambridge High School and in all classes will be BYOD.

Devices will be used in core subject lessons (English, Maths, Social Studies, Science and Health/PE) and most option subjects, where appropriate.

The devices will be used to access resources on their class TEAMS and OneNotes, complete tasks and respond to questions, craft essays, mind map, access the Internet to research topics, collate data in spreadsheets, create PowerPoint and other presentations, work co-operatively and collaboratively with other students, and get feedback from peers and teachers. Our approach is a blended approach where traditional methods of teaching and learning will be enhanced by the use of ICT/technology. These are NOT digital classes where all work is completed on a device.

Office 365 is free to all Cambridge High School students. The full version will be downloaded on to student devices during the Year 9 orientation programme early in the year. All students new to other year levels will have an ICT orientation tutorial.

Our minimum requirements for a device to be used for learning at school are:

- 10 inch screen
- At least 5 hours of battery power
- 3 GB storage – Must have enough storage to download and install Office 365
- Internet capable
- Ability to create and edit common documents such as word processing, spreadsheets, and presentations
- Suitable, durable bag/cover for protection

These features are strongly recommended:

- A keyboard
- Availability of loan device when repairs are needed
- A PDF Reader like Adobe Reader – free to download

Most students find a laptop to be an appropriate choice of device.

Further information and recommended devices are found on our website, www.camhigh.school.nz/ict_byod.cfm
Cyber safety use agreement
For Cambridge High School Students

This document is comprised of this cover page and three sections:
Section A: Introduction
Section B: Cyber Safety Rules for Secondary Students
FORM Cyber Safety Use Agreement Form

Instructions
1. Students and parents*/caregivers/legal guardians please read and discuss all sections carefully.
2. Parents and students sign Cyber Safety Use Agreement Form and return with the Enrolment Form.
3. Please keep sections A and B for future reference.
4. If you have any questions about this agreement please contact the school.

* The term ‘parent’ used throughout this document also refers to legal guardians and caregivers.

Additional information can be found on NetSafe’s website www.netsafe.org.nz

Important terms used in this document:
a) The abbreviation ‘ICT’ in this document refers to the term ‘Information and Communication Technologies’.
b) ‘Cyber safety’ refers to the safe use of the Internet and ICT equipment/devices, including mobile phones.
c) ‘School ICT’ refers to the school’s computer network, Internet access facilities, computers, and other school ICT equipment/devices as outlined in (d) below.
d) The term ‘ICT equipment/devices’ used in this document, includes but is not limited to, computers (such as desktops, laptops, tablets), storage devices (such as USB and flash memory devices, CDs, DVDs, iPods, MP3 players), cameras (such as video, digital, webcams), all types of mobile phones, gaming consoles, video and audio players/receivers (such as portable CD and DVD players), and any other, similar, technologies as they come into use.
e) ‘Objectionable’ in this agreement means material that deals with matters such as sex, cruelty, or violence in such a manner that it is likely to be injurious to the good of students or incompatible with a school environment. This is intended to be inclusive of the definition used in the Films, Videos and Publications Classification Act 1993.
Section A

Introduction

The measures to ensure the cyber safety of Cambridge High School outlined in this document are based on our core values and on the expectation that students will be responsible digital citizens.

The school’s computer network, Internet access facilities, computers and other school ICT equipment/devices bring great benefits to the teaching and learning programmes at Cambridge High School, and to the effective operation of the school.

Our school has rigorous cyber safety practices in place, which include cyber safety use agreements for all school staff and students.

The overall goal of the school in this matter is to create and maintain a cyber safety culture which is in keeping with the values of the school, and legislative and professional obligations. This use agreement includes information about your obligations, responsibilities, and the nature of possible consequences associated with cyber safety breaches which undermine the safety of the school environment.

All students will be issued with a use agreement and once signed consent has been returned to school, students will be able to use the school ICT equipment/devices and/or their own devices.

The school’s computer network, Internet access facilities, computers and other school ICT equipment/devices are for educational purposes appropriate to the school environment. This applies whether the ICT equipment is owned or leased either partially or wholly by the school, and used on or off the school site. This applies to the use of student owned devices used on the school site.

Section B

Rules to help keep Cambridge High School students cyber safe

As a safe and responsible user of ICT I will help keep myself and other people safe by following these rules.

1. I cannot use school ICT equipment until my parent and I have read and signed my use agreement form and returned it to school.

2. I have my own user name and I will log on only with that user name. I will not allow anyone else to use my user name.

3. I will not tell anyone else my password.

4. While at school or a school-related activity, I will not have any involvement with any ICT material or activity which might put myself or anyone else at risk (e.g. bullying or harassing).

5. I understand that I must not at any time use ICT to upset, offend, harass, threaten or in any way harm anyone connected to the school or the school itself, even if it is meant as a joke. This includes forwarding messages and supporting others in harmful, inappropriate or hurtful online behaviour.

6. Inappropriate use of private ICT equipment/devices and internet social networking sites (such as Facebook, Instagram and Snapchat) during out-of-school hours are not the school's responsibility. However, if the implications of such personal use/activity compromises or impacts on student and/or staff safety, wellbeing and work at school then school management reserves the right to intervene with possible disciplinary actions.

7. I understand that the rules in this use agreement also apply to mobile phones. I will only use my mobile phone(s) at the times that I am permitted to during the school day.

8. While at school, I will not:

   • Access, or attempt to access, inappropriate, age restricted, or objectionable material,
   • Download, save or distribute such material by copying, storing, printing or showing it to other people,
   • Make any attempt to get around or bypass security, monitoring and filtering that is in place at school, i.e. proxy sites to circumvent access to prohibited sites.

9. If I accidentally access inappropriate material, I will:

   • Not show others,
   • Turn off the screen or minimise the window, and
   • Report the incident to a teacher immediately.
10. I understand that I must not download any files such as music, videos, games or programmes without the permission of a teacher. This makes sure the school complies with the Copyright Act 1994. I also understand that anyone who infringes copyright may be personally liable under this law.

11. I understand that these rules apply to any privately owned ICT equipment/device (such as a laptop, tablet, mobile phone, USB drive) I bring to school or a school-related activity. Any images or material on such equipment/devices must be appropriate to the school environment.

12. I will not connect any device (such as a USB drive, camera or phone) to, or attempt to run any software on, school ICT without a teacher's permission. This includes all wireless technologies.

13. I will ask a teacher's permission before giving out any personal information (including photos) online about myself or any other person. I will also get permission from any other person involved. Personal information includes name, address, email address, phone numbers, and photos.

14. I will respect all ICT systems in use at school and treat all ICT equipment/devices with care. This includes:
   • Not intentionally disrupting the smooth running of any school ICT systems,
   • Not attempting to hack or gain unauthorised access to any system,
   • Following all school cyber safety rules, and not joining in if other students choose to be irresponsible with ICT,
   • Reporting any breakages/damage to a staff member.

15. I understand that the school may monitor traffic and material sent and received using the school's ICT network. The school may use filtering and/or monitoring software to restrict access to certain sites and data, including email.

16. I understand that the school may audit its computer network, Internet access facilities, computers and other school ICT equipment/devices or commission an independent forensic audit. Auditing of the above items may include any stored content, and all aspects of their use, including email.

17. I understand that if I break these rules, the school may inform my parent(s). In serious cases the school may take disciplinary action against me. I also understand that my family may be charged for repair costs. If illegal material or activities are involved, it may be necessary for the school to inform the police.

18. Disciplinary consequences for breaches of this cyber safety use agreement could include being blocked or having restricted access to the school network for a specified time, and could include detentions and/or standdown/suspension depending upon the seriousness of the student's infringement.

19. I understand and give my permission for the school to publish any school material (such as artwork, poetry, stories) I may have produced, in school publications. This could include publication in hard copy like school newsletters, or in digital format on the school's website. The purpose of any such publishing is to celebrate student work and achievement and to promote the school in our wider community.

20. If my photo or image may not be used and published by the school, my parents/caregivers have indicated this on my enrolment form. Otherwise, I understand that photos and images of myself may be used and published by the school. This could include publication in both hard copy format such as the school magazine or prospectus, and also digital images on our website. Any such digital images will be removed if the individual makes such a request. The purpose of publishing such images is communicating with our school community.

Frequently Asked Questions

How can I get a WINZ quote?
Work & Income New Zealand (WINZ) quotes can be created and printed from www.argyleonline.co.nz by following the instructions provided. Take the quote to your nearest WINZ office for processing. Please arrange for WINZ to pay the quoted price directly into the account number provided.

Why do I need to measure my student?
Sizes can vary from garment to garment and sizes differ from retail clothing brand sizes so please ensure that you have measured your child and match this up to the sizing chart for that garment. Click on “Measuring tips” beside the “Size” button to provide guidance.

What happens if I order the wrong style or size?
You will be responsible for the cost of returning the garment to us for replacement. We will send the correct garment to you at our cost.

How will my order be delivered?
Deliveries will only be made to a physical address in New Zealand and are through our nominated courier. A signature is required as proof of delivery unless you request a delivery without signature when placing your order.

Home Zone

All students who live within the home zone described below* (and shown on the attached map) shall be entitled to enrol at the school.

* The ‘home zone’ boundary commences at the Airport Road/Tauwhare Road/SH1 intersection. Travel east along Tauwhare Road to the Tahuroa Road/Tauwhare Road intersection (includes both sides of Tauwhare Road, but excludes all side roads entering from the northern side of the road).

Turn right into Tahuroa Road and travel through to where it intersects with Nicholls Road. Turn right into Nicholls Road and follow it through to its end. From this location take a direct line to the end of Gray Road and then a direct line to the Te Miro Road/Waterworks Road intersection. From the Te Miro Road/Waterworks Road intersection take a direct line to the end of Mathieson Road and travel along Mathieson Road to the intersection with Buckland Road. From this intersection take a direct line to No 623 Tootaoroa Road and then a direct line to No 2415 Tirau Road (SH1) and on to a point opposite on the western side of the Waikato River.

Follow the Waikato River south to a point opposite the end of Westlea Road and travel along Westlea Road to the intersection with Oreipunga Road. From this intersection take direct lines to the ends of Roberts Road, Hicks Road, Luck At Last Road, Rahiri Road, Griggs Road, Kairangi Road, and Grice Road, then through to the Roto-o-rangi Road/Chamberlain Road intersection. Turn right into Roto-o-rangi Road and follow it through to the intersection with Cox Road. Turn left into Cox Road and travel through to the intersection with Cambridge Road. From this intersection take a direct line to the Jary Road/Wallace Road intersection (excludes Jary Road and Wallace Road addresses west of this intersection). From the Jary Road/Wallace Road intersection take a direct line to the end of Kite Road.

Travel along Kite Road to the intersection with Lynd Road, then turn right into Lynd Road and travel though to the intersection with Kaipaki Road. Turn right into Kaipaki Road then travel through to the intersection with Tarr Road. Turn left into Tarr Road and travel to its end. From the end of Tarr Road take a direct line to the Mystery Creek Road/Airport Road intersection. Turn right into Airport Road and travel through to where the zone boundary commenced at the Airport Road/Tauwhare Road/SH1 intersection (includes southern side of Airport Road only).

(Both sides of all roads are included unless otherwise stated).

Proof of residence within the home zone will be required.

NOTE: Not all areas within the zone are covered by the Cambridge High School rural bus service. In this situation, parents will be required to transport students to the nearest Cambridge High School bus stop.

Out of Zone Enrolments

Applications for enrolment will be processed in the following order of priority:

First Priority
must be given to any applicant who is the sibling of a current student of the school.

Second Priority
must be given to any student who is the sibling of a former student of the school.

Third Priority
must be given to any applicant who is a child of a former student of the school.

Fourth Priority
must be given to any applicant who is either a child of an employee of the board of the school, or a child of a member of the board of the school.

Fifth Priority
must be given to all other applicants.

If there are more applicants in the first, second, third, fourth or fifth priority groups than there are places available, selection within the priority group must be by ballot conducted in accordance with instructions issued by the Secretary under Section 11G(1) of the Education Act 1989. Parents will be informed of the date of any ballot by notice in a daily or community newspaper circulating in the area served by the school.
Achieving qualifications is one of the foundation steps for future success. CHS will continue to meet the goal of most of our leavers achieving at least NCEA Level 2.

**CHARTER & STRATEGIC PLAN 2017 - 2022**

**OUR CORE PURPOSE**
To develop fine young people who can navigate easily and competently into life beyond school.

**VISION**
Our students will have a sense of purpose and direction: they will understand who they are and where they are going.

**OUR CORE NAVIGATOR STRATEGY**
CHS is committed to developing an innovative approach whereby the school, students, staff, parents, and community, take ownership to achieve our core purpose together.

**CULTURE**
CHS is a high performing school based on a shared vision, operational efficiency, innovation, respect for each other, teamwork, achievement, and contributing to the community.

**VALUES**
Our school motto “Fortiter et Recte” (Courage to do the right thing) is based upon the core values of respect, responsibility and achievement.

**OUR NAVIGATOR STRATEGY**
- Students will be guided and supported throughout their learning journey.
- Our focus will be on student outcomes that prepare them for the world beyond school.
- A strong emphasis will be placed on our core values.
- Maaori student outcomes will be valued and supported.

**THE CAMBRIDGE HIGH SCHOOL LEARNER WILL BE BOTH IN PERSON AND IN THE DIGITAL WORLD:**
- An effective communicator.
- A problem solver.
- A good citizen.
- A creative and critical thinker.
- A resilient self-manager.
- An open-minded, respectful individual and one who relates positively with others.
Achieving qualifications is one of the foundation steps for future success. CHS will continue to meet the goal of most of our leavers achieving at least NCEA Level 2.

**LEADING THE VALUES**

- Establishing core values within the school inclusive of students, staff, form teachers and deans.

**ACADEMIC/CLASSROOM**

Ensuring students are motivated, supported, valued and take responsibility for their own learning.

**STRONG COMMUNITY RELATIONSHIPS**

Working closely with key players to understand what we have to offer students for their future studies and employment.

Students have real choices based upon their personal interests, learning styles, talents and abilities.

- Achieving qualifications is one of the foundation steps for future success. CHS will continue to meet the goal of most of our leavers achieving at least NCEA Level 2.
- A new faculty based upon contextualised/project learning will be established. This will enhance engagement, achievement, and education-to-employment transitions.

We will work with others to develop a ‘navigator strategy’ to implement the new core purpose and vision – this implies more of an outward focussed school which is better connected to the rapidly changing external environment.

In addition to academic success, Māori students will develop a good sense of hauora; a personal sense of wellbeing. This will be achieved by catering for all aspects of personal development: hinengaro (mind), wairua (spiritual), tinana (physical), and whaanau (social).

**RATIONALE**

These strategies will ensure that we are navigating both our school and students on and into the future. It will ensure Cambridge High School is performing at the highest level, encouraging academic excellence while ensuring the school meets the needs of all students.

Do you have an iwi?

Education providers are required by the Ministry of Education to collect iwi affiliations when they enrol Māori students.

Iwi are increasingly interested in the educational outcomes of their people. They see education as an important element in their development strategies and an important factor in ensuring the future health and well-being of their tribal members.

In the space provided on the enrolment form, please indicate up to three iwi using the iwi information alongside. If your iwi code is not listed, please go to our website for the full list.

Our Navigator Strategy

- Students will be guided and supported throughout their learning journey.
- Our focus will be on student outcomes that prepare them for the world beyond school.
- A strong emphasis will be placed on our core values.
- Maaori student outcomes will be valued and supported.
All Year 9 students at Cambridge High School take a selection of specialist areas from the Faculties of Technology, Arts and Learning Languages.

Generally, we can accommodate students in their top ranked choices.

Students need to take this form home, complete it with their parents/caregivers and return to Cambridge High School reception as soon as possible.

An electronic form will also be emailed to parents/caregivers who prefer to respond using this method later in the year.

For each learning area, students need to indicate their preferences. (Descriptions of each course appear overleaf). Please rank your preferences in order, e.g. 1 = first choice.

YEAR 9 SPECIALIST LEARNING AREAS FOR 2020

**TECHNOLOGY**

**Design and Visual Communication (Graphics)**
This course is about designing products and environments. Students will learn and use a number of visual communication techniques such as free hand sketching, computer aided drawing, rendering and instrumental formal drawings. They will use these techniques to design and make a product which will be manufactured using 3D printing technology.

**Digital Technology Computing**
This course gives students experience at using a wide range of computing techniques to solve problems. Students will learn skills in using application software and websites and using games technology in Minecraft, as well as an introduction to project management and the key competencies.

**Electronics**
This course is aimed at giving students experience at understanding a range of electronic components and using prototyping techniques to build a range of circuits. Students will then produce a project.

**Food Technology**
This course aims to give students knowledge, skills, equipment and attitudes to produce food products that meet people’s needs and desires. The choice of foods is increasing and it is essential that students learn basic skills and gain knowledge to make the most of these choices.

**Future Materials Thinking**
Using some of the latest technologies, this course will include a variety of technology contexts – Electronics, Textiles, Digital Technology. Students will have some choice and flexibility to explore an area of technology they are interested in, and may combine technologies in an imaginative way. They will develop as independent learners, planning and managing their own study.

**Materials Technology Engineering**
This is a project based course where students will use a variety of hard materials and engage in the processes involved in Technology. This Course will lay the foundation toward Level One Materials Technology or Senior Engineering.

**Materials Technology Fabric**
This course aims to give students the basic skills and knowledge needed to create a product using soft materials. Students will learn a variety of skills and techniques that lay the foundation towards Level 1 Materials Technology Fabric.

**Materials Technology Wood**
This is a project based course where students use a variety of timbers, hard materials and processes involved in Technology. The Course will lay the foundation toward Level One Technology and Level One Carpentry.

**ARTS**

**Art**
Students will be introduced to the art-making environment and core skills of drawing and media handling. This course aims to develop students’ confidence and decision making while experiencing different art forms.

**Drama**
Year 9 Drama is an opportunity for students to develop improvisational skills whilst working in a supportive environment. Students work towards a self-devised group performance.

**Music**
Students are introduced to music through a practical approach covering theory and basic musicianship skills on the drums, keyboard and guitar. Students also work towards a group composition and performance.

**Media Studies**
Media Studies aims to introduce students to media skills. It is a practical and visual approach developing an understanding of the media around us. Students will explore the world of advertising and film, and produce their own media product.

**LANGUAGES**

**French**
Students will study the language and culture of the many French speaking countries of the world. There may be opportunities for travel to New Caledonia and France. Studying French can lead to exchanges and scholarships.

**Japanese**
Learning Japanese is fun and exciting and leads to career and travel opportunities. Studying Japanese at Cambridge High School may lead to exchanges, trips and scholarships to Japan.

**Literacy Support**
This course is offered to students who struggle with parts of the English language and would benefit from extra support. Students are selected for this course, on teacher or parent recommendation or results from entry tests.

**Mandarin**
Mandarin is now offered to Year 9 students. This is an exciting addition and an opportunity to learn the language and culture of one of New Zealand’s important trading partners. This could lead to future career and travel possibilities.

**Te Reo Maaori**
At Cambridge High School we celebrate the Maaori culture by offering this great language opportunity. In Te Reo Maaori it is fun as we learn the language. Te Reo Maaori also offers many career opportunities.

To the student and parent/legal guardian/caregiver, please:

1. Read this page carefully to check that you understand your responsibilities under this agreement. The full agreement is available further on in this prospectus.

2. If you agree and accept the terms and conditions please sign below.

We understand that Cambridge High School will:

• Do its best to maintain the school cyber safety, by maintaining an effective cyber safety programme. This includes working to restrict access to inappropriate, harmful or illegal material on the Internet or school ICT equipment/devices or privately owned devices at school or at school-related activities, and enforcing the cyber safety rules and requirements detailed in use agreements.
• Keep a copy of this signed use agreement form on file.
• Respond appropriately to any breaches of the use agreements.
• Provide members of the school community with cyber safety education designed to complement and support the use agreement initiative.
• Welcome enquiries from students or parents about cyber safety issues.

Section for student

My responsibilities include:

• I will read the full cyber safety use agreement carefully.
• I will follow the cyber safety rules and instructions whenever I use the school’s ICT.
• I will also follow the cyber safety rules whenever I use privately-owned ICT on the school site or at any school-related activity, regardless of its location.
• I will avoid any involvement with material or activities which could put at risk my own safety, or the privacy, safety or security of the school or other members of the school community.
• I will take proper care of school ICT. I know that if I have been involved in the damage, loss or theft of ICT equipment/devices, my family may have responsibility for the cost of repairs or replacement.
• If I bring my own ICT devices (including cellphones/smart phones/laptops, tablets etc) onto school property I will take full responsibility for their safety. The school takes no responsibility for damage or theft.
• I will keep this document somewhere safe so I can refer to it in the future.
• I will ask the Deputy Principal if I am not sure about anything to do with this agreement.

I (the above named student) have read and understood my responsibilities and agree to abide by this cyber safety use agreement. I know that if I breach this use agreement there may be serious consequences.

Section for parent/legal guardian/caregiver

My responsibilities include:

• I will read this cyber safety use agreement carefully and discuss it with my child so we both have a clear understanding of their role in the school’s work to maintain a cyber safe environment.
• I will ensure this use agreement is signed by my child and by me, and returned to the school.
• I will encourage my child to follow the cyber safety rules and instructions.
• I will contact the school if there is any aspect of this use agreement I would like to discuss.

I have read this cyber safety use agreement document and am aware of the school’s initiatives to maintain a cyber safe learning environment, including my child’s responsibilities.

Please note: This agreement for your child will remain in force as long as he/she is enrolled at this school. If it becomes necessary to add/amend any information or rule, parents will be advised on the school website or intranet.

This Use Agreement is based on the NetSafe® Cyber Safety Use Agreement for Secondary Students Template © NetSafe – The Internet Safety Group Incorporated - January 2007
BLANKET CONSENT FOR EDUCATION OUTSIDE THE CLASSROOM

Education Outside the Classroom (EOTC) is the name given to all events/activities that occur outside the classroom, both on and off the school site. This includes sport. CHS believes in using a range of environments and experiences to enhance our students’ learning.

By signing the blanket consent form below, parents/caregivers give their consent for their child to participate in lower-risk activities, approved by the Principal, on and off the school campus without filling in further consent forms. All higher risk activities will require individual consent forms prior to the event taking place.

The Ministry of Education’s EOTC guidelines identify four EOTC activity types, each with recommended types of parental/caregiver consent. In brief they are:

<table>
<thead>
<tr>
<th>Type of event</th>
<th>Description</th>
<th>Type of consent</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>A</strong> On-site in the school grounds</td>
<td>(i) Lower risk environments</td>
<td>(i) No consent sought or blanket consent</td>
</tr>
<tr>
<td></td>
<td>(ii) Higher risk environments*</td>
<td>(ii) Separate consent for each event or programme</td>
</tr>
<tr>
<td><strong>B</strong> Off-site events in the local community occurring in school time.</td>
<td>(i) Lower risk environments</td>
<td>(i) Blanket consent at enrolment</td>
</tr>
<tr>
<td></td>
<td>(e.g. trip to Cambridge Museum)</td>
<td></td>
</tr>
<tr>

<td>(ii) Higher risk environments*</td>
<td>(ii) Separate consent for each event or programme</td>
</tr>
<tr>
<td></td>
<td>(e.g. high ropes course at Karapiro Domain)</td>
<td></td>
</tr>
<tr>
<td><strong>C</strong> Off-site events – finishing after school finishes</td>
<td>(i) Lower risk environments</td>
<td>(i) Blanket consent at enrolment</td>
</tr>
<tr>
<td></td>
<td>(e.g. history trip to battle sites)</td>
<td></td>
</tr>
<tr>
<td></td>
<td>(ii) Higher risk environments*</td>
<td>(ii) Separate consent for each event or programme</td>
</tr>
<tr>
<td></td>
<td>(e.g. Biology trip involving bush hike)</td>
<td></td>
</tr>
<tr>
<td>Off-site residential overnight events</td>
<td>(i) Lower risk environments</td>
<td>(i) Separate consent</td>
</tr>
<tr>
<td></td>
<td>(ii) Higher risk environments*</td>
<td>(ii) Separate consent for each event or programme</td>
</tr>
</tbody>
</table>

*Involves risk assessed to be greater than that associated with the average family activity.

All EOTC activity categories require staff to undertake an analysis of the risks, and identify the management strategies required to eliminate, isolate and minimise the risks. Emergency procedures are also in place.

BLANKET CONSENT

I/We agree to the participation of the above named student in lower risk category A, B and C EOTC events while a student at Cambridge High School.

I/We have provided the school with up to date medical, supervision and learning information through the enrolment form and will make every endeavour to keep this information current.
