

DO YOU HAVE AN IWI?

Education providers (early childhood centres, schools and tertiary education organisations) are required by the Ministry of Education to collect iwi affiliations when they enrol Māori students.

Iwi are increasingly interested in the educational outcomes of their people. They see education as an important element in their development strategies and an important factor in ensuring the future health and well-being of their tribal members. Increasingly, the Ministry is being approached by iwi for information on the educational participation and achievement of their people.

In the space provided on the enrolment form, please indicate up to three iwi using the iwi information below.
