Students in Year 11, 12 and 13 have the choice to work towards the completion of different NQF National Certificates.

- Credits for National Certificates are gained by completing either Achievement Standards and/or Unit Standards.
- There are four possible grades for the awarding of every Achievement Standard – Not Achieved, Achieved, Merit and Excellence.
- Unit Standards – can be Not Achieved, Achieved, Merit and Excellence. BUT not every Unit Standard assessed for vocational focused skills and knowledge has merit or Excellence criteria. For some Unit Standards, Not Achieved and Achieved are the only possible grades.
