

## Level 2 NCEA Year 12 Students

Compulsory	Compulsory	Recommended	Option	Option	Option
1 English	2 Physical Education	3 Mathematics	4	5	6
<b>Students are placed into the correct level by the HOFs/TICs.</b>		Will I meet the prerequisites? YES/NO	Will I meet the prerequisites? YES/NO	Will I meet the prerequisites? YES/NO	Will I meet the prerequisites? YES/NO

1. All students study five subjects plus PE.
2. All students study English and Physical Education. If University is an option, it is vital to acquire the 10 University Entrance Literacy Credits this year. 5 Credits are in Writing and 5 Credits are in Reading.
3. Mathematics is recommended but not compulsory.
4. In order to earn Level 2 NCEA:
  - Students must earn at least 60 Level 2 Credits.
5. There is a wide range of subjects available at Level 2 and students following a Degree Course Pathway should carefully consider which subjects lead on to UE Level 3 approved subjects.
6. Year 12 students may undertake a multilevel course with subjects at Level 1, Level 2 or Level 3 based on ability and meeting prerequisites.

Questions I have?

The Curriculum Guide with full subject information is on the school website
