

## Level 3 NCEA Year 13 Students

My Year 13 Choices	Option	Option	Option	Option	Option
	1	2	3	4	5
	<i>Will I meet the prerequisites?</i>	<i>Will I meet the prerequisites?</i>	<i>Will I meet the prerequisites?</i>	<i>Will I meet the prerequisites?</i>	<i>Will I meet the prerequisites?</i>
	YES/NO	YES/NO	YES/NO	YES/NO	YES/NO

- All students study five subjects.
- Most Level 3 subjects have prerequisites which must be met before the subject can be taken. There are no compulsory subjects. You must meet the prerequisites or seek HOF/TIC approval, this is not negotiable.
- If aiming for Tertiary Study, students should sit at least 4 University Entrance Approved Subjects which are listed on the back. Also students need to make sure they either have UE Literacy or will attain it in 2016.
- Students should check their chosen Tertiary Institute for prerequisites as they are all different.
- Year 13 students may undertake a multilevel course with subjects at Level 1, Level 2 or Level 3 based on ability and meeting prerequisites.

Questions I have?

The Curriculum Guide with full subject information is on the school website
