## NCEA CORNER

### NCEA Co-requisite Assessments

Our first round of Literacy and Numeracy Co-requisite assessments will take place next term from 28 – 30 May. We have little flexibility over these dates so it is important to take note of this.

Parents of Yr 10 students will have received an email with information about the significance, selection of students, and preparation for these assessments. Parents of Yr 11 students yet to gain Literacy and/or Numeracy will receive this email shortly.

The Literacy Co-requisite Teams will be live from Monday, 25 March so students can access resources independently. These include access to Education Perfect with Co-requisite specific reading and writing tasks for students to work through. Writer's Toolbox is available to Yr 10 students and has a range of tutorials that teach and scaffold the knowledge and skills needed. Teachers across all learning areas are reinforcing the reading and writing skills and knowledge that are required to achieve the standards within their subject areas.

Skills and content knowledge for the Numeracy Co-requisite is taught and tested by the Numeracy specific tasks on Education Perfect. These will be reinforced and scaffolded in many learning areas and in the Maths classrooms.

We wish all our students well as they work constructively towards preparing for these important assessments.

Kia ora parents/guardians at Cambridge High School,

Our mobile dental van is coming to the school soon! Dental care is free for NZ residents under 18 years old and we provide public-funded dental care on-site at many high schools in Auckland, Northland and Waikato. Working in partnership with Te Whatu Ora, our aim is to improve the number of high school students accessing quality dental care.

This is your opportunity to enrol your adolescent with us for their **free dental care**. We will see students from **years 9 to 13 (under 18 years old)** for their free dental check-up and treatment.

If your adolescent is currently enrolled with a dental provider, please let us know. Just click the link below and choose the “No” option if you’re happy to stay with them.
