## NCEA CORNER

The Term 2 NCEA Assessment Calendars for Level 1, 2 and 3 will be available on the Cambridge High School website by the end of this week. Students should spend some time working through the assessment calendars to make sure they know when their assessments are. This will help them to manage their workload throughout the term. Where changes to assessment dates are needed, the NCEA Assessment Calendars online will be updated and revised dates communicated to students through their class Teams.
