

CAREERS

The Careers Faculty assists students to confidently prepare for their career journey, by helping students identify their strengths and interests while also promoting the development of key competencies and employability skills and knowledge needed for their next step.

Please contact Karina Judson, kjn@camhigh.school.nz our Careers Advisor, for personalised career counselling and pathway planning.

Offering:

- Career decision making and exploration
- Subject selection
- Information on tertiary study
- Tertiary liaison contacts
- Visits from tertiary providers
- Vocational tasters
- Work experience
- Guest Speakers from industry
- Scholarship applications and references
- Career Expo

camhigh.careerwise.school

Students, teachers, caregivers and whaanau are also encouraged to visit the Cambridge High Schools CareerWise website which is an online hub for all things Careers. You will find all our schools valuable careers resources here. This new online platform has been designed to make career planning, tertiary pathways, and future opportunities easier to explore and understand.
