## Y13 Drama Show

Set during the Salem witch trials of 1692, ***scenes from 'The Crucible'*** by Arthur Miller follows the story of a community torn apart by accusations of witchcraft. Over 200 accusations by a group of local teenage girls lead to the deaths of 19 innocent people.

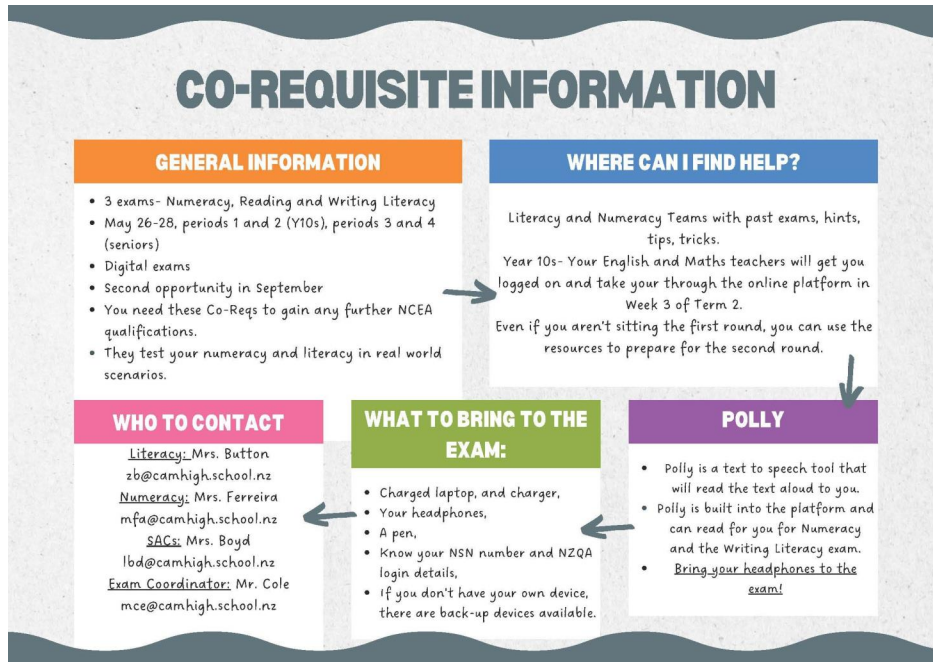

With its mature themes of morality, power, religion, hysteria and integrity, our Level Three Production delves into difficult and thought-provoking topics. Due to the intense nature of the content, the performance is **not advised for those under 12 years old** without parental discretion.

Our final production for our Y13's comes to life in the Backstage Theatre on Monday 7th, Tuesday 8th and Wednesday the 9th of April.

Tickets are \$5 at the Student Office and doors will open at 5.45pm for a 6pm curtain. Limited tickets available!

See you there!

## LearnCoach

### Additional Online Tuition Resource for Yr 11 - 13

LearnCoach is a New Zealand based company that has been offering students online access to NCEA support since 2012. They have now added Ai tutoring to their offering of popular videos, guides, resource materials, and practice questions. There are resources available that cover a wide range of subjects and NCEA achievement standards, with more being added regularly.

For 2025 CHS has accepted an offer from LearnCoach for all Year 11-13 students to have access to the LearnCoach programme between 8.30-3.30 Mon-Fri and an additional 60 minutes a day outside of school hours. In addition to this self-directed time, teachers also have the ability to set tasks for students that they are able to complete at any time. Access to these free accounts

is available during terms 1-3 and is a great resource for students to use as they learn material and prepare for internal assessments.

All Cambridge High School senior students have access to this free account and can activate their accounts by going to <https://learncoach.com/> , selecting register and complete the registration process using their school email address. Over 200 CHS students have already activated their accounts and have started using these resources.

We hope this addition tool in the kit is helpful as students work towards their NCEA goals.

## Y12 & 13 Ball - 24 May
