- I have a **mild stomach ache**.
- I have **not thrown up** overnight and can drink liquids without throwing up.
- I have a **mild rash** and no other symptoms.
- I have **eye drainage WITHOUT fever**, eye pain or eyelid redness.

KEEP ME AT HOME IF...

- I have a **temperature higher than 37.2C**
- I have **thrown up two or more times** in the past 24 hours.
- My **stool is watery** and I may not make it to the bathroom in time.

SEEK MEDICAL CARE IF...

If you don't know whether to send your child to school, have specific concerns regarding your child's physical or mental health, or are worried your child will spread illness, contact your child's health care provider, a local urgent care or the school nurse. These tips are not meant to take the place of local health department/school district health guidance including about contagious illnesses such as Covid-19 and the flu.
