## INTRODUCING SCHOOLBRIDGE

SchoolBridge is a communication platform, available on the web and as an app, that seamlessly links caregivers, students, and the school.

This will be used for all absence notifications, permission slips, school notices and more. SchoolBridge will be the central sign in point for our school, providing easy access for Students, Parents/Caregivers, and Staff. SchoolBridge will connect you to Kindo and the Kamar Parent Portal by clicking the tiles on the main page without the need to log into separate apps. We encourage all parents and caregivers to download the app and enable notifications so you can stay connected and support your child's school experience.

## Student Sickness

### When is sick too sick for school?

A regular attendance routine is important for your child's well-being and learning. These tips can help you decide when to keep your child home when they don't feel well.

#### SEND ME TO SCHOOL IF...

- I have a **runny nose** or just a **little cough**, but no other symptoms.
- I have **NOT** had a fever overnight and have **NOT** taken fever reducing medicine during that time.
- I have a **mild stomach ache**.
- I have **not thrown up** overnight and can drink liquids without throwing up.
- I have a **mild rash** and no other symptoms.
- I have **eye drainage** WITHOUT fever, eye pain or eyelid redness.

#### KEEP ME AT HOME IF...

- I have a **temperature higher than 38C**
- I have **thrown up two or more times** in the past 24 hours.
- My **stool is watery** and I may not make it to the bathroom in time.

#### SEEK MEDICAL CARE IF...

- I have a **temperature higher than 38C AND any of the following:** ear pain, sore throat, rash, stomachache, headache or tooth pain.
- I have **stomach pain and fever**, I have **bloody or black stool**, or I am **dehydrated** (tired and sleepy, dry mouth) and/or I have **not urinated** in the last 8 hours.
- I have a **persistent cough** or **trouble breathing**, or have a fever with the cough.
- I have **eye swelling, eye pain** or an **eye injury**.
- I have a **rash that has blisters**, is draining, is painful, looks like bruises, and/or I have a fever with the rash.

*If you don't know whether to send your child to school, have specific concerns regarding your child's physical or mental health, or are worried your child will spread illness, contact your child's health care provider, a local urgent care or the school nurse. These tips are not meant to take the place of local health department/school district health guidance including about contagious illnesses such as Covid-19 and the flu.*

## Notices

### **HOMEWORK CENTRE**

Homework Centre is now up and running for 2026. This is free and is led by the CHS Academic Committee. It is a safe, supervised study space to complete homework and study after school in the library. It is supported by senior students and occasionally subject teachers.

Sessions start at 3.10pm (straight after school) and go to 4.10pm. Light snacks and hot drinks provided.

Homework Centre will run on Mondays on odd school weeks e.g. Weeks 1, 3, 5 and on Tuesdays for even school weeks e.g. Weeks 2, 4, 6 etc. As this week coming is an odd week (Week 9) we look forward to seeing as many students as we can this Monday after school.

Ngaa mihi nui.

Mr Cole and the Academic Committee.
