Parent Teacher Interviews

Parents evenings will be held on **Tuesday 28 July 2026** and **Thursday 6 August 2026** for Year 9 to 13 students on both nights between 2.45pm-6.00pm

To make a booking, please click into correct Evening link and enter the following codes:

Tuesday 28 July 2026 [School Interviews - Event Code](#) **auac4**

Thursday 6 August 2026 [School Interviews - Event Code](#) **nxqys**

Bookings can fill up quickly, especially for the first evening, so it pays to make your appointments as soon as you are ready.

Please note with M block under repair, interviews will be held in the Hall, and in other classrooms around the inner area of the school (see map). The Arts teachers are all located upstairs in S11 and S12. There is a lift available for any parents or caregivers if needed. Please ensure that you leave adequate time between each appointment as there will be more walking around the venues than would be expected if M Block was in use.

School will close early at 1.40pm on Tuesday 28 July 2026 and Thursday 6 August 2026.

For any queries relating to parents' evenings, please contact Hayley Buckley

Cutting-Edge Classrooms Near Completion

Almost 30 years after its initial construction, Cambridge High School's newly refurbished Marshall Block is getting ready to reopen featuring new technology and teaching spaces.

The building, first opened in August 1998, has been closed for refurbishments all year and Acting Principal Paul McAvoy expects it to reopen in the first half of Term 3.

The months-long work has included recladding for weather tightness as well as changes to the internal layout resulting in additional teaching spaces and modern technology.

“It's kept the tradition around M block which has been there for close to 30 years but at the same time it's a cutting-edge learning environment able to help students make the best of their time here at CHS,” Mr McAvoy says.

We took a peek behind the scenes at the work that's gone on so far. Watch the video and find out more here. <https://www.camhigh.school.nz/blog/post/166670/reimagined-cutting-edge-classroom-block-nears-completion/>

Nepal Trip 2027

Cambridge High School is excited to share an extraordinary opportunity available to students who will be in Y12 & 13 in 2027 — an expedition to Nepal's Everest Base Camp in partnership with Unearthed Education. This program is designed to deliver powerful, life-changing outcomes through experiential learning, helping students grow in leadership, resilience, confidence, and global awareness.

[VIEW the Everest Base Camp Itinerary here](#)

During the expedition, students will trek through the breathtaking Khumbu region, experience Sherpa culture firsthand, visit iconic sites such as Namche Bazaar and Tengboche Monastery, and journey toward the world-renowned Everest Base Camp — one of the most inspiring landscapes on Earth.

You are warmly invited to attend our ONLINE Parent–Student Information Evening for the 2027 Nepal Everest Base Camp Expedition with Unearthed Education. This session will provide an

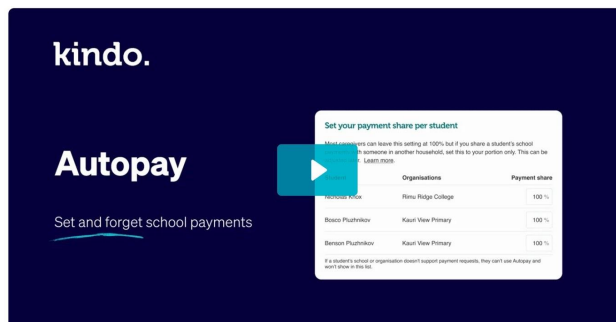

overview of the program, expected learning outcomes, travel details, safety information, and the transformative experiences students can look forward to.

7pm on Tuesday 27th July.

We look forward to sharing more about this unforgettable experience and hope to see you at the session.
