## NCEA Corner

Senior students are heading into derived grade exams in Week 8. The exams commence **Thursday 4 September** and finish on Tuesday **16 September**.

The exams provide students with an excellent opportunity to revise and practice for their external examinations, as well as giving them a derived grade should they need it for compassionate grounds. Students need to arrive for these exams prepared with the following equipment:

1. For digital exams, a fully charged and updated device.
2. Correct subject equipment including pens, pencils, calculators etc.
3. The exams are full NCEA rules so no watches, phones etc. Equipment needs to be in a clear plastic bag (zip lock bags are great) and any drink bottles must be clear with no writing.
4. Photo ID such as student ID or a drivers license.

## Co-requisite Exams

Students sitting the corequisite exams September 1st to September 3rd need to arrive prepared with the following equipment:

1. A fully charged and updated device running chrome (no ipads).
2. Their NZQA login saved (students cannot bring any paper into the exam).
3. A pen.
4. A calculator for the numeracy exam.
5. The exams are full NCEA rules so no watches, phones etc. Equipment needs to be in a clear plastic bag (zip lock bags are great) and any drink bottles must be clear with no writing.

A reminder that all year levels are sitting these exams in period 1 and 2 of each day. Reading is the 1/9/25, Writing is the 2/9/25 and Numeracy is the 3/9/25.
