08th September 2021

It is with deep disappointment that we announce that the remainder of the Hamilton City Netball Season has been CANCELLED.

Unfortunately operating netball under Level 2(Delta) is not the same as what we experienced in Level 2 in 2020. There are stricter guidelines that need to be adhered to and as we type this there is still uncertainty on the full nature of these guidelines from Sport NZ. The Centre does not feel that we are in a position to adhere to these guidelines in a way that keeps all of our netball community and our wider community safe in these circumstances.

This is a brief message as we felt that it was important to get this information out to you quickly. The Centre will be working on what the cancellation of the season means and sending out further communication to Clubs in the coming weeks.

We would like to take this opportunity to Thank all of the staff and volunteers who have been working long hours in the background to try to get the season back up and going in any form we could.

We've done it before we can do it again. Protecting our whakapapa.
