Streamline School Payments

Set your payment share per student

Most caregivers can leave this setting at 100% but if you share a student's school payments with someone in another household, set this to your portion only. This can be adjusted later. [Learn more.](#)

Student	Organisations	Payment share
Nicholas Knox	Rimu Ridge College	100 %
Bosco Pluzhnikov	Kauri View Primary	100 %
Benson Pluzhnikov	Kauri View Primary	100 %

If a student's school or organisation doesn't support payment requests, they can't use Autopay and won't show in this list.
