NCEA Exams

10 November - 4 December

Kia ora koutou.

NCEA exams begin Tuesday 10th November.

- Exams are either **AM** - 9.30am start, or **PM** 2.00pm start.
- Students should arrive at least 20mins early for their exam to ensure plenty of time for entry.
- Students are not allowed to enter an exam after 30 mins following the start time.

The exam timetable can be found here: [NZQA Exam Timetable 2026](#)

Students need to remember their admission slips and ID for every exam. Please do not write on admission slips as you will not be allowed entry if there is any writing on it. Admission slips can be printed from your MYNZQA login or by student reception.

Students need to remember or have saved their MYNZQA login for all digital exams in order to log in to Assessment Master.

Students need to arrive to their exams with all the equipment they need including a fully charged laptop for digital exams and all their writing materials.

NCEA rules apply:

- Standard writing materials must come in a clear plastic bag (or ziplock). Stationery might include a blue or black pen, pencils, erasers and calculators (with no covers). Students can bring with them an emergency evacuation pack in a clear plastic bag containing permitted personal items or turned-off devices.
- Banned items include unapproved notes, correction fluid, blank paper, dictionaries, any type of watch, mobile phones, smartwatches, or other electronic communication/storage devices not safely sealed in the emergency pack.
- Water bottles must be completely clear e.g. a pump bottle with no labels.

If you need to apply for a derived grade complete the form found at this link: [How To Apply For a Derived Grade](#)

Please read over the derived grade application form and guidance materials carefully as derived grades have very specific requirements. Please note NZQA has the final decision on all derived grade applications. Please send all derived grade applications (or questions) to Mr Cole - mce@camhigh.school.nz

Year 13 students (or students leaving CHS at the end of this year) please update your email address on MYNZQA as your school email address will be closed when you leave, which may orphan your NZQA login.

Streamline School Payments

Set your payment share per student

Most caregivers can leave this setting at 100% but if you share a student's school payments with someone in another household, set this to your portion only. This can be adjusted later. [Learn more.](#)

Student	Organisations	Payment share
Nicholas Knox	Rimu Ridge College	100 %
Bosco Pluzhnikov	Kauri View Primary	100 %
Benson Pluzhnikov	Kauri View Primary	100 %

If a student's school or organisation doesn't support payment requests, they can't use Autopay and won't show in this list.
