Kindo - AP's & Autopay

kindo.

Get ahead of school costs, effortlessly

Set it up once. Kindo takes care of the rest.

✓ Set it up once ✓ Paid on time ✓ Pause any time

Two simple Kindo tools work together: an automatic payment keeps your Kindo Wallet topped up, and Autopay uses that money to pay school costs as they come up.

1 Automatic payment
Set up in your banking app. Regularly tops up your Kindo Wallet.

2 Autopay
Set up in Kindo. Uses your wallet balance to pay your school's payment requests.

Step 1: Set up an automatic payment

An automatic payment from your bank adds money to your Kindo Wallet on a regular schedule, like weekly or fortnightly. Small, regular amounts make school costs easier to plan for.

Scan to watch how
Step-by-step video in the Kindo Help Centre

1. Find your **customer number** in Kindo: go to **Account > My details**. It's under Personal information.
2. In your banking app, start a new **automatic payment**.
3. Search for **Kindo** in your bank's payee list and select it. Most NZ banks list Kindo as a registered payee.
4. Enter your customer number in the **reference** field, exactly as it appears on your My details page.
5. Choose **your amount and how often**, then confirm.

Kindo not listed at your bank? You can enter the details manually.
Payee name: **The Growth Collective Limited** · Account: **02-1257-0090149-000**

ⓘ Money usually reaches your Kindo Wallet within 1 to 3 working days, and a top-up receipt is emailed to you. It's worth double-checking the reference, as payments without a matching customer number can't be added and will be returned.

(7:30am to 4pm weekdays)

kindo.

Then let Autopay do the paying

Step 2: Set up Autopay

Autopay uses the money in your Kindo Wallet to pay the payment requests your school assigns to your child. It doesn't add money to your wallet, so it works best alongside an automatic payment.

Scan to watch how
Step-by-step video in the Kindo Help Centre

1. Open the **Kindo app** or log in to your Kindo account.
2. Tap **Wallet balance** on your home screen, or go to **Account > Wallet**.
3. Tap **Get started** on the Meet Autopay card (or **Set up Autopay**), then select **Next**.
4. Enter your **payment share** for each student. Most caregivers leave this at 100%.
5. Choose which requests to cover: **all**, **compulsory only** or **voluntary only**.
6. Add a **wallet reserve** if you'd like some money kept aside (optional).
7. Tick **I understand and agree**, then select **Start Autopay**.

An email arrives 48 hours before each Autopay run, so there's time to check or pause it. Requests with a permission or consent form, and shop items you choose yourself, are paid manually as usual. Autopay can be paused any time from your wallet.

What's the difference?

	Automatic payment	Autopay
What it does	Moves money from your bank into your Kindo Wallet	Pays school payment requests from your Kindo Wallet
Where it's set up	Your banking app or internet banking	The Kindo app or website
What it needs	Your Kindo customer number as the reference	Money in your Kindo Wallet
How often	Your choice, like weekly or fortnightly	Runs when your school's requests are due
Changes or pauses	Through your bank	In your Kindo Wallet, any time

Your bank
Automatic payment tops up your wallet → **Kindo Wallet**
Money ready and waiting → **Autopay**
School costs paid on time

Need a hand?
