Year 9 Option Choice Form - 2026

Last Name:

First Name:

All Year 9 students at Cambridge High School must study a selection of subjects from the Arts, Languages and Technology areas. We aim to achieve a balance between a compulsory breadth to the curriculum as well as providing students with choices.

In order to provide our students with the best access to an extensive curriculum, our staff expertise and excellent facilities, we run a semester model in Year 9. Each semester runs for half of the year and a student must take six of these semester courses over the year.

Semester A You **MUST** Tick **ONE** Arts, **ONE** Language and **TWO** Technologies from the **Semester A** Section below

TECHNOLOGIES (TWO CHOICES)

- ☐ Design and Visual Communication
- ☐ Digital Technology
- ☐ Mechatronics and Control Technologies
- ☐ Food Technology
- ☐ Materials Technology Engineering
- ☐ Materials Technology Textiles
- ☐ Materials Technology Wood/Plastics

THE ARTS (ONE CHOICE)

- ☐ Art
- ☐ Dance
- ☐ Drama
- ☐ Media Studies
- ☐ Music
- ☐ Music Performance (Auditioned)
- ☐ Te Ao Haka

LEARNING LANGUAGES FULL YEAR (ONE CHOICE)

- ☐ French
- ☐ Japanese
- ☐ Te Reo Maaori

OR LEARNING LANGUAGES HALF YEAR (ONE CHOICE)

- ☐ French
- ☐ Japanese
- ☐ Te Reo Maaori

Semester B You must choose three new options from **any** area in **Semester B**.

NOTE:

- You cannot choose a course that you have already selected above.
- If you chose a Full Year Language above there is no need to select a Language, although you may choose to study another Language.

TECHNOLOGIES (TWO CHOICES = 1 COURSE)

- ☐ Design and Visual Communication
- ☐ Digital Technology
- ☐ Mechatronics and Control Technologies
- ☐ Food Technology
- ☐ Materials Technology Engineering
- ☐ Materials Technology Textiles
- ☐ Materials Technology Wood/Plastics

THE ARTS (ONE CHOICE = 1 COURSE)

LEARNING LANGUAGES (HALF YEAR = 1 COURSE)

- ☐ French
- ☐ Japanese
- ☐ Te Reo Maaori

Write down ONE Reserve Course in the event we are unable to give you all your choices.

The school will distribute student choice in either Semester A or B to balance class sizes.

Please ensure that **ALL** form fields are filled in before you submit your form, and that the student's name is on this form

Year 9 Specialist Learning Areas for 2026

All Year 9 students at Cambridge High School take a selection of specialist learning areas from the Faculties of Technology, Arts and Languages. It is compulsory to take at least ONE Language, ONE Arts and TWO Technologies over the year, along with further optional choices. Some Technologies and Arts subjects may attract an additional cost due to take-home components associated with these courses. More information about this is available from the school.

Technology

Design and Visual Communication

This course is about designing products and environments. Students will learn and use a number of visual communication techniques such as free hand sketching, computer aided drawing, rendering and instrumental formal drawings. They will use these techniques to design and make a product which will be manufactured using 3D printing technology.

Digital Technology

This engaging programme introduces students to a range of computer techniques to solve problems creatively. Students will learn basic programming skills and explore the fundamentals of robotics, along with other innovative digital technologies. Through hands-on projects, they will develop critical thinking and problem-solving abilities. The course also fosters creativity and collaboration, encouraging students to work together on various challenges. It's an excellent foundation for those interested in the exciting world of digital technology.

Mechatronics and Control Technologies

Students explore robotics, microprocessor control technology, switches, sensors, basic electronics theory, and coding. Through hands-on activities, they develop technical skills and problem-solving abilities. This engaging programme fosters critical thinking and prepares students for future studies and careers in technology.

Food Technology

This course aims to give students knowledge, skills, equipment and attitudes to produce food products that meet people's needs and desires. The choice of foods is increasing and it is essential that students learn basic skills and gain knowledge to make the most of these choices.

Materials Technology Engineering

This is a project based course where students will use a variety of hard materials and engage in the processes involved in Technology.

Materials Technology Textiles

This course aims to give students the basic skills and knowledge needed to create a product using soft materials. Students will learn a variety of skills and techniques.

Materials Technology Wood/Plastics

This is a project based course where students use a variety of timbers, hard materials and processes involved in Technology. The Course will lay the foundation toward Level One Technology and Level One Carpentry.

Drama

Year 9 Drama is an opportunity for students to develop improvisational skills whilst working in a supportive environment. Students work towards a self-devised group performance.

Media Studies

Media Studies is a course for students who are interested in communications media production. It is valuable to students who want to be able to understand the messages that the media deliver to us. Students will explore the language of media, conventions of film and produce their own media product. Media is a versatile subject that can lead to many different career opportunities.

Music

Students develop practical skills on a selected instrument and/or voice while exploring music technology, creating simple original music, and learning the basics of music theory to support future musical growth.

Music Performance

Year 9 Music Performance is a music option for students who are not only passionate about music but show advanced skills on their instrument (including vocals) and want to develop their skills further. They will work towards a music concert for the community. Please note that this course requires an audition prior to acceptance.

Te Ao Haka

Te Ao Haka is an introductory course that provides opportunities for ākonga to engage in the art form of Māori Performing Arts. Through this subject, te reo Māori, tikanga and hitori will also be integral in their learning journey. We are proud to offer this course in 2026 for our community.- Please note that this course is dependent on the quantity of students choosing the subject and the availability of staff. We will need to finalise the staffing arrangements and/or appointments after our ākonga have made their course selections.

Languages

French

Students will study the language and culture of the many French speaking countries of the world. There may be opportunities for travel to New Caledonia and France. Studying French can lead to exchanges and scholarships.

Japanese

Learning Japanese is fun and exciting and leads to career and travel opportunities. Studying Japanese at Cambridge High School may lead to exchanges, trips and scholarships to Japan.

Te Reo Māori

At Cambridge High School we celebrate the Māori culture by offering this great language opportunity. Students have fun as they learn Te Reo and Tikanga and this can lead to great career opportunities within New Zealand.

Arts

Art

Students will be introduced to the art-making environment and core skills of drawing and media handling. This course aims to develop students' confidence and decision making while experiencing different art forms.

Dance

This course is an introduction to the elements of dance, its vocabulary and choreography. Combined with these technical aspects, it explores different dance styles around the world culminating in the presentation of a group dance.

Cambridge High School Cyber Safety Use Agreement Form

Last Name:

First Name:

To the student and parent/legal guardian/caregiver, please:

1. Read this page carefully to check that you understand your responsibilities under this agreement.
The full agreement is available on www.camhigh.school.nz/byod.
2. Sign below to show acceptance of these terms and conditions.

We understand that Cambridge High School will:

- Do its best to maintain the school cyber safety, by maintaining an effective cyber safety programme. This includes working to restrict access to inappropriate, harmful or illegal material on the Internet or school ICT equipment/devices or privately owned devices at school or at school-related activities, and enforcing the cyber safety rules and requirements detailed in use agreements.
- Keep a copy of this signed use agreement form on file.
- Respond appropriately to any breaches of the use agreements.
- Provide members of the school community with cyber safety education designed to complement and support the use agreement initiative.
- Welcome enquiries from students or parents about cyber safety issues.

Section for student

My responsibilities include:

- I will read the full cyber safety use agreement carefully.
- I will follow the cyber safety rules and instructions whenever I use the school's ICT.
- I will also follow the cyber safety rules whenever I use privately-owned ICT on the school site or at any school-related activity, regardless of its location.
- I will avoid any involvement with material or activities which could put at risk my own safety, or the privacy, safety or security of the school or other members of the school community.
- I will take proper care of school ICT. I know that if I have been involved in the damage, loss or theft of ICT equipment/devices, my family may have responsibility for the cost of repairs or replacement.
- If I bring my own ICT devices (including cellphones/smart phones/laptops, tablets etc.) onto school property I will take full responsibility for their safety. The school takes no responsibility for damage or theft.
- I will keep this document somewhere safe so I can refer to it in the future.
- I will ask the Deputy Principal if I am not sure about anything to do with this agreement.

I (the above named student) have read and understood my responsibilities and agree to abide by this cyber safety use agreement. I know that if I breach this use agreement there may be serious consequences.

Blanket Consent for Education Outside the Classroom

Last Name:

First Name:

Education Outside the Classroom (EOTC) is the name given to all events/activities that occur outside the classroom, both on and off the school site. This includes sport. CHS believes in using a range of environments and experiences to enhance our students' learning.

By signing the blanket consent form below, parents/caregivers give their consent for their student to participate in lower-risk activities, approved by the Principal, on and off the school campus without filling in further consent forms. All higher risk activities will require individual consent forms prior to the event taking place.

The Ministry of Education's EOTC guidelines identify four EOTC activity types, each with recommended types of parental/caregiver consent. In brief they are:

Type of event	Description	Type of consent
A	On-site in the school grounds	
	(i) Lower risk environments	(i) No consent sought or blanket consent
	(ii) Higher risk environments*	(ii) Separate consent for each event or programme
B	Off-site events in the local community occurring in school time.	
	(i) Lower risk environments (e.g. trip to Cambridge Museum)	(i) Blanket consent at enrolment
	(ii) Higher risk environments* (e.g. high ropes course at Karapiro Domain)	(ii) Separate consent for each event or programme
C	Off-site events – finishing after school finishes	
	(i) Lower risk environments (e.g. History trip to battle sites)	(i) Blanket consent at enrolment
	(ii) Higher risk environments* (e.g. Biology trip involving bush hike)	(ii) Separate consent for each event or programme
D	Off-site residential overnight events	
	(i) Lower risk environments	(i) Separate consent
	(ii) Higher risk environments*	(ii) Separate consent for each event or programme

*Involves risk assessed to be greater than that associated with the average family activity.

All EOTC activity categories require staff to undertake an analysis of the risks, and identify the management strategies required to eliminate, isolate and minimise the risks. Emergency procedures are also in place.

BLANKET CONSENT

I/We agree to the participation of the above named student in lower risk category A, B and C EOTC events while a student at Cambridge High School.

I/We have provided the school with up to date medical, supervision and learning information through the enrolment form and will make every endeavour to keep this information current.
