Getting started on a Chromebook

- First stop at CompuHub for your first Chromebook
- Unbox, connect to power and turn it on.
- Select your language and click "Let's go."
- Connect to a WiFi network.
- Then enter your Google Account details.
- If you don't have one click "More Options" and tap on "Create New Account."
- You're ready to get started!

Why choose CompuHub?

- We're your local solution and hardware Provider:
- Quick same-day service*
- Available loan units*
- We'll make sure you start smoothly

***Grab your flyer for BYOD pricing that's funnier than a clown car! Offer ends December 31, 2023. We've got Chromebooks that can tickle your funny bone, all prices include GST, and same-day service is yours if you make it by 08:30. Loan units available but about as common as a unicorn trying stand-up!**
