

## **Colin McHarg Family Trust Award**

The award is made possible by the generous donation from the family of the late Colin McHarg.

Colin spent 37 years teaching at CHS and became an integral part of the fabric of the school and the Cambridge community.

The principal presents nominations for this award, to the CHS Ed Trust each March. The award goes to a senior student who would most likely not be recognised with other awards but will have contributed to the fabric of CHS and the greater Cambridge community.

Recent recipients are:
