1. All students study five subjects. There are no compulsory subjects.
2. Most Level 3 subjects have prerequisites which must be met before the subject can be taken. You must meet the prerequisites or seek HOF/TIC approval, this is not negotiable.
3. If aiming for tertiary study, students must take at least 4 University Entrance approved subjects which are listed in the Course Book. Students need to make sure they either have UE Literacy or will attain it in 2024.
4. Students should check their preferred Tertiary Institutes for prerequisites as they are all different.
5. Year 13 students may undertake a multilevel course with subjects at Level 1, Level 2 or Level 3 based on ability and meeting prerequisites.
