Communicatio n 10DVC			Research assignment on different cladding and different roofing systems for your house: choose at least 3 different cladding systems eg. Weather boards, board and batten, brick veneer, corrugated iron etc, copy pictures into a word doc, and write a PNI (positive negative interesting) analysis of each material, then say which you have decided to use and why. Do the same for roofing systems.			
Digital Technologies 10DTH (LLE) Mr Lovegrove	3 hours (for the week)	Term 4, Week 1 – 2-3 hours	Continuing on with our programming skill development from Term 3, students log into CodeAvengers and choose either the Python or Javascript Introductory courses. Students interested in working with ‘pure’ code like C# should choose Python. Those interested in furthering their Web Development skills (HTML) should choose Javascript. These can be very helpful skills for Level 1 (year 11) digital technologies when students begin creating an outcome to help solve a real-world problem. Progress will be discussed at the end of the week in a meeting (or in class) and students will be provided some basic challenges to put their new knowledge to the test.		Luke Lovegrove LLE le@camhigh.school.nz	Teams Posts/chat
Digital Technologies 10DTH (DN) Mr Dillon	3 hours (for the week)	Term 4, Week 1 – 2-3 hours	Continuing with our programming skill development from Term 3, students log into CodeAvengers and choose either the Python or Javascript Introductory courses. Students interested in programming should choose Python. Those interested in furthering their web development skills (HTML) should choose Javascript. These will be helpful skills for Level 1 (year 11) digital technologies when students begin creating an outcome to help solve a real-world problem. We will discuss progress at the end of the week in a meeting (or in class) and students will be		Chris Dillon (DN)	Whanau: dn@camhigh.school.nz Students: Teams chat / email

			provided some basic challenges to put their new knowledge to the test.			
Electronics Technology 10ETE (DN)	3 hours (for the week)	Term 4, Week 1 – 2-3 hours	Students use the class Team and OneNote to continue exploring any of the 3 online environments we used previously to develop their coding skills: Tinkercad, SonicPi or VRVEX.		Chris Dillon (DN)	Whanau: dn@camhigh.school.nz Students: Teams chat / email
Food Technology NMN & LLE	Complete any work from Term 3	Ms Martin's class I will be checking if French poster is completed.	Continuing on with cultural cuisine. France- Find a recipe to make at home. Keep it simple and cost effective. Could be Croque monsieur, or crepes. Decide on a recipe and take a photo and upload to "Teams". Cook at home, document flavours, appearance, smell. Work out cost per serving. All finding post on "Teams".		Fri 22 nd October	Ms Martin: Email nmn@camhigh.school.nz Mr Lovegrove: lle@camhigh.school.nz (and Ms Craig) evangelene.craig@camhigh.school.nz
Future Focussed Technology 10FFT	Meet at 9.45 Tues 19/10 on Teams	2- 3 hours per week	Download picaxe programming editor onto your device https://picaxe.com/software/picaxe/picaxe-editor-6/ For apple or linux users download https://picaxe.com/software/picaxe/axepad/ Have a play, do the little tutorials from page 72 of the manual (you dont have to connect a chip to see your program work, just go to the simulate tab and press the run button https://picaxe.com/docs/picaxe_manual1.pdf		Nick Bowskill (NBL)	Teams Posts/chat email

Materials Technology - Fabric	Students will meet for our first scheduled lesson on teams	2- 3 hours per week	Students will be doing a research project on odd fashion trends. Research a crazy and out of it fashion trend which became popular, research it and try to recreate this trend at home with what you have. More info will be on teams and we will discuss in Tuesday's teams meeting	Due Friday 3:30pm	Miss McMillan LMN	Teams chat
Materials Technology Engineering 10MTE (Si) & (JEM)			There will be a mini project posted to "Teams", all work will be available through Teams. Students should check their school email regularly to ensure they are aware of when any meetings are sheduled.	Due dates will be posted in the Teams assignments page.	Mr B Siriett (Si) Mr J Elam (JEM) Si@camhigh.school.nz jem@camhigh.school.nz	Teams or Email
Materials Technology – Wood 10 MTW (RU, JV)	Complete an assignment in Teams	One week, Term 4, week 1	Wood Theory: There are three worksheets to be completed digitally or on paper. This will give students a background understanding of timber as a material.	Due: Friday October 22 at 3:30	Mr G. Rautenbach (RU) and Mr J Davidson (JV)	Teams
Enterprise Studies	Assignment details on Teams	Week 1 Term 4	Students are to complete a webquest for designing and furnishing a room of their choice, then calculating the costs of paint and carpet. At the outcome of this webquest, students will have some understanding how to apply area calculations in a practical way. Students will also be making decisions while using a tool to design their room, selecting items to furnish the room. http://zunal.com/webquest.php?w=408346		ro@camhigh.school.nz jfe@camhigh.school.nz dme@camhigh.school.nz Knp@camhigh.school.nz Kma@camhigh.school.nz	Teams chat
MAORI		Wk 1, Term 4	Learning intentions: Te Reo Maaori written pieces (150 words or more). Questions: 1. I aha koe i ngaa hararei? (what did you do for the school holidays)		CB	Teams and email cb@camhigh.school.nz

			<p>2. I peehea ngaa hararei? (how was your holiday break)</p> <p>NOTE: Please use a wide variety of sentences structures all of which are in your work books or stored on TEAMS = Dates, days of the week, kupu tuhono, negation, describing sentences, likes, dislikes.....etc.....</p>
