Digital Technologies 9DTH (LLE) Mr Lovegrove	3 hours (for the week)	Term 4, Week 1 – 2-3 hours	<p>Welcome to all new 9DTH students! To kick off this week, we will be creating a digital pepeha (self-introduction) using any program or digital resource that student feel comfortable using at the moment. This should be of at least 4 pages or slides including a title page, information about students' family/cultural links, where they are from, and their personal interests. These will be submitted on Friday, and shared with the class during the following week. Students are encouraged to showcase their digital skills, but content is the most important thing! Students can begin online here at gamefoot/mihimaker (use the Mihi tutorial) to organise their ideas while learning some programming concepts. Students will need to create an account, using their CHS email to create the account (Gamefoot is covered by the Aotearoa New Zealand Privacy Act 2020 so your account is safe). More information about layout and pepeha breakdown will be provided in Teams on Tuesday or Wednesday.</p>	Friday 22 Oct	Luke Lovegrove (LLE)	<p>lle@camhigh.school.nz</p> <p>Teams chat / email</p>
