JAPANESE	Term 4 – To attend at least one scheduled meeting and provide a photo of work each week	3 hours over the week	<p>All year 9 classes: On days where students have their timetabled Japanese class there will be a recorded video with instructions up on teams for them to watch.</p> <p>Due to the change in schooling with seniors on site and juniors off site, it is expected that Class lessons may not be available until the Period time allocated on student timetables,</p>	End of Week 5	Annuska Robinson ARN arn@camhigh.school.nz	Teams @Annuska, teams chat or e-mail. E-mail not checked as often as teams.

rather than first thing in the morning which has been the goal during online learning in lockdown.

There will be a general post that alerts everyone to the video as well as having any links needed in the space below. Every video is dated – students will need to find it (should be relatively easy).

Students are required to “check in” on days they have Japanese e.g. by joining a meeting OR by posting a photo of their work OR commenting on the “General Instructions” post.

81C and 83C:

Week 5 – Term 4

Students will be looking at the Genpei war and will be aiming to make a set of cardboard samurai armour (torso only) for the Samurai Sports Tournament. Depending on student completion rates will depend whether or not we change the plan for this at school (we will do something more minor in class if necessary). However, if students do complete their samurai armour they are encouraged to bring it into school when we are back next week.

82C:

Week 5 – Term 4

Students will be continuing on their Menu Project based around our Food and Drink topic.

			<p>They should be starting to practice the speaking part of the assessment and should have completed the “Food Research and Collection” aspect of the project already.</p> <p>Due to the change in schedule with online/in class learning, the Sushi Party may take place at school closer to the end of the Term.</p>			
MANDARIN		Term 4 week 5	<p>We are learning about introducing our pets. Presentation template will be shared in Teams. Students will then video themselves introducing their pet.</p>	Friday 19 th November	Lisa Wang LWG	Teams or email Lwg@camhigh.school.nz
Media Studies (Tu, Bi and Cro)		Term 4 Week 5	<p>All Classes for 3 lessons: You will need access to YouTube to watch the short film Piper and write a hammer paragraph about how meaning has been created without using dialogue.</p> <p>An assignment has been posted on write that essay for this week as we will be returning to school.</p>	Due date will be on the assignment	<p>Vanessa Tupp TU</p> <p>Brianna Butler Bi</p> <p>Clarissa Ricardo, Cro</p>	<p>Parents: email tu@camhigh.school.nz Bi@camhigh.school.nz Cro@camhigh.school.nz</p> <p>Students: teams chat.</p>
Design and Visual Communication	Attend the scheduled Teams meetings or watch the video recordings posted in our team in the files tab later to catch up	Term 4, Week 5 - 2 hours	<p>Please look at your DVC Teams digital classroom.</p> <p>You will have a meeting with your teacher for instructions on this week's task.</p>		<p>Nicholas Bowskill (NBL)</p> <p>Nathan Vassella (NVA)</p>	Teams chat or email
Digital Technologies 9DTH (LLE) Mr Lovegrove	1 meeting – Monday period 3	Term 4, Week 5	<p>Students will continue to working in code.org from the beginning of the week up to lesson 9. Worksheets taken from classroom Scratch workbook will be scanned and made available from Tuesday. Students to attempt to complete at least two of these activities. This will all help prepare students for a class programming challenge in the coming weeks.</p>		Luke Lovegrove (LLE)	<p>lle@camhigh.school.nz</p> <p>Teams chat / email</p>

Digital Technologies 9DTH (DN) Mr Dillon	1 Meeting (Wednesday)	Week 5: 3 hours	Students should complete the code.org tasks up to at least Lesson 9 For loops. In preparation for F2F lessons this week students create with parental permission an account in Scratch.mit.edu. The code.org lessons will prepare them for a class programming gaming challenge in the coming weeks.		Chris Dillon (DN)	Whanau: dn@camhigh.school.nz
Electronics Technology 9ETE (DN) Mr Dillon	1 Meeting for each of two classes on alternate days	Week 5: 3 hours	Students should be aiming to complete the 8 TinkerCad class tasks from the class Notebook. Submit completed tasks to the Teams Assignment. Each task builds on the electronics and control skills, with evidence of success added to a learning log in OneNote. There are videos and written instructions with each task including programming code to work with. Extension tasks are available at each stage for further learning.	Students post screengrabs of their completed activities with a link to the completed task (as they complete them) into a page of their OneNote.	Chris Dillon (DN)	Whanau: dn@camhigh.school.nz Students: Teams chat / email
Food Technology		Term 4 Week 4	Hey everyone, Mr Ting and Mr Linklater are looking forward to actually meeting you all for the first time this term. We will see your class for the first time on the following days: 9FTE CLR WED 9FTE1 CLR THU 9FTE2 MTG THU PLEASE MAKE SURE YOU HAVE A LEARNING DEVICE (Phones do not count)		Carlin Linklater (CLR) Matthew Ting (MTG)	Clr@camhigh.school.nz Mtg@camhigh.school.nz Teams chat / email

Future Focussed Technology	Attend the Teams meetings when scheduled or watch the video of those meetings later	2-3 hours	<p>Connect on "Teams"</p> <p>Mr Bowskill's class will have our first class back at school on Wednesday. You need to bring your ideation sketches and have watched the last meeting recording on Teams Video lesson so we can adapt the ideation designs to make a wire jewellery circuit.</p> <p>Ms Martin- Connect on "Teams" Monday Nov 15th at 11.30 to discuss assignments.</p> <p>When back at School on Wednesday 17th, I will see you P5, 2.15, room F8. We will be working on drawing techniques called SCAMPER. You will apply this to your design process.</p>	Students need to complete and turn in their Ideation sketching assignment by Tues 9/11 so we can move on	Ms N Martin (NMN) Mr N Bowskill (NBL)	Teams chat or email
Materials Technology -Fabric	Attend our scheduled online lessons for the week (refer to teams calendar for dates and times)	2-3 hours	Revise videos and worksheets to refresh you on machine parts, threading up, fabric key words. Be prepared to get into practical towards the end of the week. Looking forward to meeting you in person 😊	Due Wednesday 3:30 pm	Miss McMillan (LMN)	Teams chat
Materials Technology - Wood	3 hours		Week beginning Monday 15 th students are to complete their Christmas decoration, research, concept drawings and decide on two final ideas to make in wood.		Mr Rautenbach (RU) Miss Martin (NMN)	Teams chat
